FIRST ORDER OF BUSINESS

Roll Call

Mr. Showe called the meeting to order and called the roll.

SECOND ORDER OF BUSINESS

Public Comment Period

There being none, the next item followed.

THIRD ORDER OF BUSINESS

Approval of the Minutes of June 25, 2019 Meeting

On MOTION by Ms. Burgos seconded by Mr. Giercyk with all in favor the minutes of the June 25, 2019 meeting were approved, as presented.

FOURTH ORDER OF BUSINESS

Public Hearing

On MOTION by Mr. Smyk seconded by Mr. Giercyk with all in favor the public hearing was opened.

A. Consideration of Resolution 2019-03 Adopting the Fiscal Year 2020 Budget and Relating to the Annual Appropriations

Mr. Showe stated the budget is pretty much the same as you saw in the proposed budget. We did send mailed notices out to G & H in accordance with Board direction to assess them for some of the operational expenses in La Vina. We did not hear from any of the landowners. We don't expect there to be any increases in landscaping or aquatic management service. Everyone else's assessment remains the same except for G & H they had a slight increase to accommodate the increase in maintenance.

Mr. Smyk stated I know as part of the calculation for the budget we have for G&H maintenance going up, but isn't their capital reserve fund quite hefty?

Mr. Showe stated it is not too bad. They are going from \$80,000 to \$66,000 based on the expenses we project for the fence project. We wanted their O&M to reflect ongoing maintenance, so we didn't have to raise them later. At this time I wanted to make sure we captured the full cost of the admin and their ongoing maintenance.

Mr. Smyk stated if it starts to build up then we should probably do like we did before.

Mr. Showe stated we can do that.

Ms. Burgos stated on page 12, La Vina, the total projected is \$142,583 but the proposed budget is \$123,000.

Mr. Showe stated the \$142,583 is what we projected to have as revenues at the end of 2019. We are projecting to spend \$32,000 based on the fence project, which brings it down to \$109,000 and we are adding \$13,000 extra.

Mr. Giercyk stated reclaimed water for La Vina is \$8,160. How is that number being divided?

Mr. Scheerer stated I don't think there are any utilities divided up because your utilities are basically Dowden Road.

Mr. Giercyk asked is Parcel G & H some portion of that reclaimed water?

Mr. Showe stated we took the total amount that was allocated for your maintenance and they are paying 20% of that portion.

We will note for the record that there are only Board Members and staff present.

On MOTION by Mr. Smyk seconded by Ms. Burgos with all in favor Resolution 2019-03 was approved.

B. Consideration of Resolution 2019-04 Imposing Special Assessments and Certifying an Assessment Roll.

Mr. Showe stated attached to the resolution will be the adopted budget and the assessment roll.

There are no members of the public present to provide comment.

Mr. Van Wyk stated you noted earlier that you provided notice to Parcels G & H. What we are finding in this resolution is that all the items listed in the budget are a benefit to all the properties located within the District and you are also making findings that the cost of those budgetary items are apportioned fairly and reasonably across the parcels located within the District.

On MOTION by Mr. Smyk seconded by Ms. Burgos with all in favor Resolution 2019-04 was approved.

On MOTION by Ms. Burgos seconded by Mr. Smyk with all in favor the public hearing was closed.

FIFTH ORDER OF BUSINESS

Consideration of Agreement for Landscape Maintenance Services with SSS Down to Earth Opco, LLC

Mr. Showe stated the next item is a formal agreement with Down to Earth to continue their landscape services. There is no increase.

Mr. Scheerer stated they are not without challenges right now, but they are not the only ones, with all the wind and weather we are having everybody has been fighting the same thing. It has been raining every day, they have been coming in on Saturday to mow.

Mr. Showe stated we did a bid about a year and a half ago and they were still the low bidder of all the bids we received.

On MOTION by Mr. Giercyk seconded by Mr. Smyk with all in favor the Agreement for Landscape Maintenance Services with SSS Down to Earth Opco, LLC was approved.

SIXTH ORDER OF BUSINESS

Staff Reports

A. Attorney

Mr. Van Wyk stated there is a memorandum from us that outlines the statutory changes that were made this year and we are going to ask you to authorize us to commence rulemaking so that we adopt the new rules of procedure that reflect all those changes. That memo has been sent out and we will get a proposed resolution for the next Board meeting and hopefully, we will get those adopted before the end of the year.

B. Engineer

Mr. Malave stated we are working with the contractor to get him scheduled out here to start the fence work. He has signed the contract, they are ordering materials, but the rain hasn't helped with his schedule.

Mr. Giercyk asked how did we do on the discount?

Mr. Showe stated it went down but not as much as we had hoped. I think it went down to about \$87,000.

Mr. Malave stated they need to provide us with the brick material so that someone can look at it and approve it.

Mr. Scheerer stated if it is close to what we have out there then it should be fine.

Mr. Giercyk stated we voted on a brick that was very close in color but not an exact match.

Mr. Wong joined the meeting at this time by telephone.

C. Manager

i. Approval of Check Register

On MOTION by Ms. Burgos seconded by Mr. Smyk with all in favor the check register was approved.

ii. Balance Sheet and Income Statement

A copy of the balance sheet and income statement were included in the agenda package.

iii. Presentation of Arbitrage Rebate Calculation Report

Mr. Showe reviewed the rebate calculation report that is required by the trust indenture and stated there is no amount that needs to be on deposit so we are in compliance with all our bond provisions and we are not making more money than we are legally allowed to on tax-exempt bonds.

iv. Approval of Fiscal Year 2020 Meeting Schedule

Mr. Showe stated we have made a few changes to the schedule. GMS has an office inside the Narcoossee CDD now in the shopping center and there is a conference room so we can save the \$25 per meeting that we pay to the library. We have rearranged the dates to mostly the fourth Monday of every month to accommodate the District Engineer and District Counsel who have meetings in the general area on that same day.

Mr. Smyk stated I can't make Mondays, but the Tuesdays work for me.

On MOTION by Mr. Smyk seconded by Mr. Giercyk with all in favor the Fiscal Year 2020 meeting schedule was approved reflecting the new meeting location and meetings on the following dates: November 19, 2019, January 28, 2020, March 24, 2020, May 19, 2020, July 28, 2020 and September 29, 2020.

SEVENTH ORDER OF BUSINESS

Other Business

There being none, the next item followed.

EIGHTH ORDER OF BUSINESS

Supervisors Requests

There being none,

On MOTION by Mr. Smyk seconded by Mr. Giercyk with all in favor the meeting adjourned at 3:22 p.m.

MEMORANDUM

TO: Narcoossee Community Development District
Board of Supervisors

FROM: Roy Van Wyk

RE: Updated Provisions of the District's Rules of Procedure

DATE: November 18, 2019

Please find attached to this memorandum an updated version of the Town of Kindred Community Development District's (the "District's") Rules of Procedure (the "Rules"). Several substantive revisions were made to maintain consistency between the Rules and the current Florida Statutes, including changes implemented in the most recent legislative session, as well as to facilitate greater efficiency in the operation of the District. An explanation of each material change to the Rules is provided below. Minor formatting changes and edits are not discussed. Should you have any questions regarding the revisions to the Rules, please do not hesitate to contact me via e-mail at RoyV@hgslaw.com, or via phone at 850-222-7500.

Costs Associated With Public Records Requests (Pages 8–9)

Language was added to Rule 1.2(4) to reflect statutory language regarding calculation of special charges for responding to certain public records requests, and to state that the District is under no duty to produce requested records if the requestor has not paid the required costs or has outstanding charges. The language will help minimize expenses incurred by the District in responding to public records requests.

Financial Disclosure Coordination (Page 9)

Rule 1.2(7) was added to maintain consistency with legislation that was passed during the 2019 legislative session. The rule designates the Secretary as the District's Financial Disclosure Coordinator (the "Coordinator") (unless the District designates otherwise by resolution) and requires the Coordinator to create, maintain, and update certain records and provide them to the Florida Commission on Ethics by certain deadlines. Each Supervisor or other Reporting Individual must notify the Coordinator in writing if there are changes to his or her name, e-mail address, or physical address, and must notify the Commission on Ethics of changes to his or her e-mail address.

Agenda and Meeting Materials (Page 11)

Rule 1.3(3) was amended to reflect statutory requirements that the agenda and meeting materials available in an electronic format, excluding confidential and exempt information, shall be

made available to the public at least seven days before a meeting, hearing, or workshop. The amended rule also clarifies circumstances in which the agenda may be amended or additional materials added after initial posting. It additionally specifies which documents constitute “meeting materials.” Documents that do not meet the definition of “meeting materials” may still be provided to the Board, but will be considered supplementary materials and are not required to be made available to the public before the meeting. Supplementary materials may include, but are not necessarily limited to, the following: financial statements, informational reports, and copies of receipts and invoices.

Flexibility for Board Authorization (Page 13)

Language was added to Rule 1.3(11) to allow the Board to waive formal approval or disapproval procedures. This will allow the Board flexibility to use different procedures when necessary and will protect the validity of the Board’s actions where there is a technical irregularity but the Board has otherwise made its decision clear.

Security and Firesafety Board Discussions (Page 14)

Rule 1.3(14) was added to reflect the fact that portions of a meeting which would reveal a security or firesafety system plan or portion thereof made confidential and exempt by Florida law are exempt from Florida’s statutory public meeting requirements. Including this rule will clarify the procedures the Board should use to ensure that confidential and exempt information is not made public.

Internal Controls to Prevent Fraud, Waste and Abuse (Page 15)

Rule 1.4 was added to reflect legislative changes enacted in the 2019 legislative session requiring special districts to establish and maintain internal controls to prevent fraud, waste, and abuse. Our office plans to work with the District Manager and auditor to develop the internal controls, which the Board will adopt in the same manner as it does policies.

Notice of Competitive Solicitation (Pages 27 and 36)

Rules 3.1(3) and 3.3(2)(c) have been amended to state that when a consultant has asked to be provided with notice of the District’s competitive solicitations, the District Manager’s failure to provide them with a copy of the notice will not give them bid protest rights or otherwise disqualify the District’s otherwise valid procurement. This will reduce the District’s exposure to potential bid protests and decrease the likelihood of a procurement being considered invalid due to a technical irregularity.

Procedure Regarding Auditor Selection (Page 31)

Language has been added to the introductory paragraph to Rule 3.2 to clarify that the District need not use the procedures set out by the Rule for audits required under Chapter 190 of the Florida Statutes but which do not meet the thresholds of Chapter 218 of the Florida Statutes.

Additionally, the requirements for composition of the Auditor Selection Committee in Rule 3.2(2) have been amended to reflect legislation passed during the 2019 legislative session. Now, at

least one individual on the Committee must be a member of the Board; the Chairperson of the Committee must be a member of the Board; and an employee, chief executive officer, or chief financial officer of the District may not be a member of the Committee but may serve in an advisory capacity.

Contract Periods (Pages 34, 56, and 59)

Rules 3.2(8)(d), 3.8(5), and 3.9(4) have been amended to set the maximum contract period for auditing services, the maximum renewal period for contracts for the purchase of goods, supplies, materials, and the maximum renewal period for contracts for maintenance services at five (5) years. This will provide greater specificity to guide contract terms.

Suspension, Revocation, or Denial of Qualification (Pages 40–42)

Rule 3.4(3) has been added to specify the procedures to be used if the District wishes to suspend, revoke, or deny a pre-qualified vendor's pre-qualified status. It specifies what constitutes good cause for such suspension, revocation, or denial; the effect of the suspension, revocation, or denial; hearing procedures the District must follow; and factors influencing the time period of the suspension, revocation, or denial.

Protest Bonds (Pages 61–62)

Rule 3.11(1)(c) has been amended to require that both the requirement for and the amount of the protest bond be disclosed in the competitive solicitation documents, and to allow the amount of the bond to be any amount within the limits imposed by Florida law.

Minor Changes

The following minor changes have also been made to the Rules:

Rule 1.1(1): This Rule has been amended to clarify requirements for Board members appointed or elected to elector seats. (Page 2).

Rule 1.1(2)(c) and (d): These Rules have been amended to include the words “at least” before the required amounts of the Secretary’s or Treasurer’s fidelity bonds or employee theft insurance policies to accommodate the possibility of greater amounts. (Page 4).

Rule 1.1(6): This Rule has been amended to include the Florida Constitution as a governing authority on voting conflicts of interest. This change reflects the recently passed Amendment 12 to the Florida Constitution. (Pages 5–6).

Rules 1.3(1)(e), (1)(d), (1)(f); and 3.2(9): These Rules were amended to allow inclusion of language substantially similar to that recited in the Rules. (Pages 10–11 and 34).

Rule 1.3(6): This Rule was amended to require the chair or vice chair to consult with the District Manager and District Counsel, if they are available, before calling an emergency meeting. (Page 12).

Rule 2.0(12)(d): This Rule has been amended to allow 90 days instead of 60 days for the Board to announce a decision on a petition for variance or waiver of its Rules. (Page 21).

Rule 3.0(3)(b): The dollar thresholds in this Rule have been increased to \$2,000,000 for a study activity when the fee for such Professional Services to the District does not exceed the increased amount of \$200,000, to reflect the current statutory thresholds. (Page 22).

Rules 3.1(4)(b), 3.6(2)(c)(ii)6., and 3.8(2)(k): The word “responsive” has been added to allow the Board to proceed with evaluating and selecting a proposal from the submissions if it receives fewer than three responsive proposals. (Pages 28, 49 and 55).

Rule 3.2(3)(b): “Understanding of scope of work” has been removed from the list of required factors used to evaluate auditing proposals. The District may still include this as an evaluation criterion if it wishes, but it is not required to do so. (Page 32).

Rule 3.2(7)(b): Language has been added to specify that if the Board does not select the highest-ranked qualified auditing firm, it must document in its records its reason for not doing so. (Page 33).

Rules 3.5(2)(e) and 3.6(2)(c)(ii)3.: “Reemployment assistance” has been added to the non-exclusive list of subjects of federal labor or employment laws of which violation may render a contractor ineligible to submit a bid, response, or proposal for a District project. (Pages 44 and 48).

Rule 3.11(6): Language was added specifying that the District may reject all qualifications, proposals, replies, or responses and start the competitive solicitation process anew if all of the bids, proposals, replies, and responses are too high. (Page 63).

 - (f) Adopted disclosure of public financing;
 - (g) Limited Offering Memorandum for each financing undertaken by the District;
 - (h) Proceedings, certificates, bonds given by all employees, and any and all corporate acts;
 - (i) District policies and rules;
 - (j) Fiscal year end audits; and
 - (k) Adopted budget for the current fiscal year.

The District Manager shall ensure that each District records office contains the documents required by Florida law.

- (2) Public Records. All District public records not otherwise restricted by law may be copied or inspected at the District Manager's office during regular business hours. Certain District records can also be inspected and copied at the District's local records office during regular business hours. All written public records requests shall be directed to the Secretary who by these rules is appointed

as the District's records custodian. Regardless of the form of the request, any Board member or staff member who receives a public records request shall immediately forward or communicate such request to the Secretary for coordination of a prompt response. The Secretary, after consulting with District Counsel as to the applicability of any exceptions under the public records laws, shall be responsible for responding to the public records request. At no time can the District be required to create records or summaries of records, or prepare opinions regarding District policies, in response to a public records request.

- (3) Service Contracts. Any contract for services, regardless of cost, shall include provisions required by law that require the contractor to comply with public records laws. The District Manager shall be responsible for initially enforcing all contract provisions related to a contractor's duty to comply with public records laws.
- (4) Fees: Copies. Copies of public records shall be made available to the requesting person at a charge of \$0.15 per page for one-sided copies and \$0.20 per page for two-sided copies if not more than 8 ½ by 14 inches. For copies of public records in excess of the sizes listed in this section and for outside duplication services, the charge shall be equal to the actual cost of reproduction. Certified copies of public records shall be made available at a charge of one dollar (\$1.00) per page. If the nature or volume of records requested requires extensive use of information technology resources or extensive clerical or supervisory assistance, the District may charge, in addition to the duplication charge, a special service charge that is based on the cost the District incurs to produce the records requested. This charge may include, but is not limited to, the cost of information technology resource, employee labor, and fees charged to the District by consultants employed in fulfilling the request. In cases where the special service charge is based in whole or in part on the costs incurred by the District due to employee labor, consultant fees, or other forms of labor, those portions of the charge shall be calculated based on the lowest labor cost of the individual(s) who is/are qualified to perform the labor, taking into account the nature or volume of the public records to be inspected or copied. The charge may include the labor costs of supervisory and/or clerical staff whose assistance is required to complete the records request, in accordance with Florida law. For purposes of this Rule, the word "extensive" shall mean that it will take more than 15 minutes to locate, review for confidential information, copy and re-file the requested material. In cases where extensive personnel time is determined by the District to be necessary to safeguard original records being inspected, the special service charge provided for in ~~the~~this section shall apply. If the total fees, including but not limited to special service charges, are anticipated to exceed twenty-five dollars (\$25.00), then, prior to commencing work on the request, the District will inform the person making the public records request of the estimated cost, with the understanding that the final cost may vary from that estimate. If the person making the public records request decides to proceed with the request, payment of the estimated cost is required in advance. Should the person fail to pay the estimate, the District is under no duty to produce

Formatted: Centered, Position: Horizontal: Left, Relative to: Column, Vertical: In line, Relative to: Margin, Width: Auto

- (5) Records Retention. The Secretary of the District shall be responsible for retaining the District's records in accordance with applicable Florida law.
- (6) Policies. The Board may adopt policies related to the conduct of its business and the provision of services either by resolution or motion.

Nothing herein shall be construed as requiring the District to consider or adopt rules unless required by Chapter 190 of the Florida Statutes. Policies adopted by the District which do not consist of rates, fees, rentals or other monetary charges may be, but are not required to be, implemented through rulemaking proceedings.
- (2) Notice of Rule Development.
 - (a) Except when the intended action is the repeal of a Rule, the District shall provide notice of the development of a proposed rule by publication of a Notice of Rule Development in a newspaper of general circulation in the District before providing notice of a proposed rule as required by section (3) of this Rule. Consequently, the Notice of Rule Development shall be published at least twenty-nine (29) days prior to the public hearing on the proposed Rule. The Notice of Rule Development shall indicate the subject area to be addressed by rule development, provide a short, plain explanation of the purpose and effect of the proposed rule, cite the specific legal authority for the proposed rule, and include a statement of how a person may promptly obtain, without cost, a copy of any preliminary draft, if available.

by submitting a written request within twenty-one (21) days after the date of publication of the notice. Except when intended action is the repeal of a rule, the notice shall include a reference to both the date on which and the place where the Notice of Rule Development required by section (2) of this Rule appeared.

- (b) The notice shall be published in a newspaper of general circulation in the District and each county in which the District is located not less than twenty-eight (28) days prior to the intended action. Not later than sixty (60) calendar days following the date of filing a petition, the Board shall initiate rulemaking proceedings or deny the petition with a written statement of its reasons for the denial. If the petition is directed to an existing policy that the District has not formally adopted as a rule, the District may, in its discretion, notice and hold a public hearing on the petition to consider the comments of the public directed to the policy, its scope and application, and to consider whether the public interest is served adequately by the application of the policy on a case-by-case basis, as contrasted with its formal adoption as a rule. However, this section shall not be construed as requiring the District to adopt a rule to replace a policy.

- (6) Rulemaking Materials. After the publication of the notice referenced in section (3) of this Rule, the Board shall make available for public inspection and shall provide, upon request and payment of the cost of copies, the following materials:

The failure of the District to follow the applicable rulemaking procedures or requirements in this Rule shall be presumed to be material; however, the District may rebut this presumption by showing that the substantial interests of the petitioner and the fairness of the proceedings have not been impaired.
- (d) Within 30 days after the hearing, the hearing officer shall render a decision and state the reasons therefor in writing.
- (e) Hearings held under this section shall be de novo in nature. The petitioner has a burden of proving by a preponderance of the evidence that the

For purposes of this section, “substantial hardship” means a demonstrated economic, technological, legal, or other type of hardship to the person requesting the variance or waiver. For purposes of this section, “principles of fairness” are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule.
 - (b) A person who is subject to regulation by a District Rule may file a petition with the District, requesting a variance or waiver from the District’s Rule. Each petition shall specify:
 - (i) The rule from which a variance or waiver is requested;

- (iv) The reason why the variance or the waiver requested would serve the purposes of the underlying statute.
- (c) The District shall review the petition and may request only that information needed to clarify the petition or to answer new questions raised by or directly related to the petition. If the petitioner asserts that any request for additional information is not authorized by law or by Rule of the District, the District shall proceed, at the petitioner's written request, to process the petition.
- (d) The Board shall grant or deny a petition for variance or waiver, and shall announce such disposition at a publicly held meeting of the Board, within ~~sixty (60)~~ninety (90) days after receipt of the original petition, the last item of timely requested additional material, or the petitioner's written request to finish processing the petition. The District's statement granting or denying the petition shall contain a statement of the relevant facts and reasons supporting the District's action.
- (13) Rates, Fees, Rentals and Other Charges. All rates, fees, rentals, or other charges shall be subject to rulemaking proceedings. Policies adopted by the District which do not consist of rates, fees, rentals or other charges may be, but are not required to be, implemented through rulemaking proceedings.

The notice must allow at least fourteen (14) days for submittal of qualifications from the date of publication. The District may maintain lists of consultants interested in receiving such notices. Consultants not receiving a contract award shall not be entitled to recover from the District any costs of qualification package preparation or submittal.

(4) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described in section (3) of this Rule regarding qualifications and performance ability, as well as any statements of qualifications on file. - (d) Notice of the rankings adopted by the Board, including the rejection of some or all qualification packages, shall be provided in writing to all consultants by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's ranking decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

(5) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as most qualified to perform the required Professional Services at a rate or amount of compensation which the Board determines is fair, competitive, and reasonable.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that "wage rates and other factual unit costs supporting the compensation are accurate, complete and current at the time of contracting." In addition, any professional service contract under which such a certificate is required, shall contain a provision that "the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs."
- (c) Should the District be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached, those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.
- (d) Should the District be unable to negotiate a satisfactory agreement with one of the top three (3) ranked consultants, additional firms shall be selected by the District, in order of their competence and qualifications.

Formatted: Centered, Position: Horizontal: Left, Relative to: Column, Vertical: In line, Relative to: Margin, Width: Auto

Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

- (1) Scope. The purchases of life, health, accident, hospitalization, legal expense, or annuity insurance, or all of any kinds of such insurance for the officers and employees of the District, and for health, accident, hospitalization, and legal expenses upon a group insurance plan by the District, shall be governed by this Rule. This Rule does not apply to the purchase of any other type of insurance by the District, including but not limited to liability insurance, property insurance, and directors and officers insurance. Nothing in this Rule shall require the District to purchase insurance.
- (2) Procedure. For a purchase of insurance within the scope of these Rules, the following procedure shall be followed:
 - (a) The Board shall cause to be prepared a Notice of Invitation to Bid.
 - (b) Notice of the Invitation to Bid shall be advertised at least once in a newspaper of general circulation within the District. The notice shall allow at least fourteen (14) days for submittal of bids.
 - (c) The District may maintain a list of persons interested in receiving notices of Invitations to Bid. ~~Persons who provide their name and address to the District Manager for inclusion on the list shall receive notices by mail. The District shall make reasonable efforts to provide copies of any notices to such persons, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process.~~
 - (d) Bids shall be opened at the time and place noted in the Invitation to Bid.
 - (e) If only one (1) response to an Invitation is received, the District may proceed with the purchase. If no response to an Invitation to Bid is received, the District may take whatever steps are reasonably necessary in order to proceed with the purchase.
 - (f) The Board has the right to reject any and all bids and such reservations shall be included in all solicitations and advertisements.
 - (g) Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies that have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, the cost, if any, to the District officers, employees, or their dependents, the geographic location of the company's headquarters and

- (h) Notice of the intent to award, including rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of insurance under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

Rule 3.4 Pre-qualification

- (1) Scope. In its discretion, the District may undertake a pre-qualification process in accordance with this Rule for vendors to provide construction services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) Procedure. When the District seeks to pre-qualify vendors, the following procedures shall apply:
 - (a) The Board shall cause to be prepared a Request for Qualifications.
 - (b) For construction services exceeding the thresholds described in Section 255.20 of the Florida Statutes, the Board must advertise the proposed pre-qualification criteria and procedures and allow at least seven (7) days notice of the public hearing for comments on such pre-qualification criteria and procedures. At such public hearing, potential vendors may object to such pre-qualification criteria and procedures. Following such public hearing, the Board shall formally adopt pre-qualification criteria and procedures prior to the advertisement of the Request for Qualifications for construction services.
 - (c) The Request for Qualifications shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall allow at least seven (7) days for submittal of qualifications for goods, supplies and materials, Contractual Services, maintenance services, and construction services under two hundred fifty thousand dollars (\$250,000). The notice shall allow at least twenty-one (21) days for submittal of qualifications for construction services estimated to cost over two hundred fifty thousand dollars (\$250,000) and thirty (30) days for construction services estimated to cost over five hundred thousand dollars (\$500,000).
 - (d) The District may maintain lists of persons interested in receiving notices of Requests for Qualifications. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any pre-qualification determination or contract awarded in accordance with these Rules and shall not be a basis for a protest of any pre-qualification determination or contract award.
 - (e) If the District has pre-qualified vendors for a particular category of purchase, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies or

 - (iv) Meet any special pre-qualification requirements set forth in the Request for Qualifications.

Evidence of compliance with these Rules must be submitted with the qualifications if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the qualifications.

- (g) Qualifications shall be presented to the Board, or a committee appointed by the Board, for evaluation in accordance with the Request for Qualifications and this Rule. Minor variations in the qualifications may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature.
- (h) All vendors determined by the District to meet the pre-qualification requirements shall be pre-qualified. To assure full understanding of the responsiveness to the requirements contained in a Request for Qualifications, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion and revision of qualifications. For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.
- (i) The Board shall have the right to reject all qualifications if there are not enough to be competitive or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of qualification preparation or submittal from the District.

Good cause shall include the following:

- i. One of the circumstances specified under Section 337.16(2), Fla. Stat., has occurred.

 - viii. The vendor failed to notify the District within 10 days of the vendor, or any of its affiliates, being declared in default or otherwise not completing work on a contract or being suspended from qualification to bid or denied qualification to bid by any other public or semi-public agency.
 - ix. The vendor did not pay its subcontractors or suppliers in a timely manner or in compliance with contract documents.
 - x. The vendor has demonstrated instances of poor or unsatisfactory performance, deficient management resulting in project delay, poor quality workmanship, a history of payment of liquidated damages, untimely completion of projects, uncooperative attitude, contract litigation, inflated claims or defaults.

(c) The District shall inform the vendor in writing of its intent to deny, suspend, or revoke its pre-qualified status and inform the vendor of its right to a hearing, the procedure which must be followed, and the applicable time limits. If a hearing is requested within 10 days after the receipt of the notice of intent, the hearing shall be held within 30 days after receipt by the District of the request for the hearing. The decision shall be issued within 15 days after the hearing.

(d) Such suspension or revocation shall not affect the vendor's obligations under any preexisting contract.

(e) In the case of contract crimes, the vendor's pre-qualified status under this Rule shall be revoked indefinitely. For all violations of Rule 3.4(3)(a) other than for the vendor's conviction for contract crimes, the revocation, denial, or suspension of a vendor's pre-qualified status under this Rule shall be for a specific period of time based on the seriousness of the deficiency.

Rule 3.8 Goods, Supplies, and Materials.

- (1) Purpose and Scope. All purchases of goods, supplies, or materials exceeding the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, shall be purchased under the terms of this Rule. Contracts for purchases of “goods, supplies, and materials” do not include printing, insurance, advertising, or legal notices. A contract involving goods, supplies, or materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of goods, supplies, or materials is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, or Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of goods, supplies, and materials, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold ~~the~~all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

Formatted: Centered, Position: Horizontal: Left, Relative to: Column, Vertical: In line, Relative to: Margin, Width: Auto

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

Any firm or individual whose principal place of business is outside the State of Florida must also submit a written opinion of an attorney at law licensed to practice law in that foreign state, as to the preferences, if any or none, granted by the law of that foreign state to business entities whose principal places of business are in that foreign state, in the letting of any or all public contracts. Failure to submit such a written opinion or submission of a false or misleading written opinion may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and this Rule. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid, after taking into account the preferences provided for in this subsection, submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be accepted. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which does not grant a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the

Formatted: Centered, Position: Horizontal: Left, Relative to: Column, Vertical: In line, Relative to: Margin, Width: Auto

lowest Responsible and Responsive Bidder whose principal place of business is in the State of Florida shall be awarded a preference of five (5) percent. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which grants a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsible and Responsive Bidder whose principal place of business is in the State of Florida shall be awarded a preference equal to the preference granted by such foreign state.

To assure full understanding of the responsiveness to the solicitation requirements contained in an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.

- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.
- (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of goods, supplies, and materials under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
- (k) If less than three (3) ~~bids, proposals, replies~~ Responsive Bids, Proposals, Replies, or responses are received, the District may purchase goods, supplies, or materials, or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may ~~take whatever steps reasonably necessary in order to proceed with the procurement of goods, supplies, and materials, in the manner the Board determines is in the best~~

interests of the District, which ~~steps~~ may include but is not limited to a direct purchase of the goods, supplies, and materials without further competitive selection processes.

- (3) Goods, Supplies, and Materials included in a Construction Contract Awarded Pursuant to Rule 3.5 or 3.6. There may be occasions where the District has undergone the competitive purchase of construction services which contract may include the provision of goods, supplies, or materials. In that instance, the District may approve a change order to the contract and directly purchase the goods, supplies, and materials. Such purchase of goods, supplies, and materials deducted from a competitively purchased construction contract shall be exempt from this Rule.
- (4) Exemption. Goods, supplies, and materials that are only available from a single source are exempt from this Rule. Goods, supplies, and materials provided by governmental agencies are exempt from this Rule. A contract for goods, supplies, or materials is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process. This Rule shall not apply to the purchase of goods, supplies or materials that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules.
- (5) Renewal. Contracts for the purchase of goods, supplies, and/or materials subject to this Rule may be renewed for ~~a period that may not exceed three (3) years or the term of the original contract, whichever period is longer~~ a maximum period of five (5) years.
- (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

The Objective and Scope of the Audit of the Financial Statements

You have requested that we audit the financial statements of Narcoossee Community Development District, which comprise governmental activities and each major fund for the General Fund as of and for the year ended September 30, 2019 which collectively comprise the basic financial statements. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter for the year ending September 30, 2019.

Our audit will be conducted with the objective of our expressing an opinion on the financial statements.

The Responsibilities of the Auditor

We will conduct the audit in accordance with auditing standards generally accepted in the United States of America and "Government Auditing Standards" issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with generally accepted auditing standards. Also, an audit is not designed to detect errors or fraud that are immaterial to the financial statements.

In making our risk assessments, we consider internal control relevant to Narcoossee Community Development District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

We will also communicate to the Board any fraud involving senior management and fraud that causes a material misstatement of the financial statements that becomes known to us during the audit, and any instances of noncompliance with laws and regulations that we become aware of during the audit.

The funds that you have told us are maintained by Narcoossee Community Development District and that are to be included as part of our audit are listed below:

1. General Fund
2. Debt Service Fund

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that management acknowledges and understands that it has responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;
2. To evaluate subsequent events through the date the financial statements are issued or available to be issued, and to disclose the date through which subsequent events were evaluated in the financial statements. Management also agrees that it will not evaluate subsequent events earlier than the date of the management representation letter referred to below;
3. For the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; and
4. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
 - b. Additional information that we may request from management for the purpose of the audit; and
 - c. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit including among other items:

1. That management has fulfilled its responsibilities as set out in the terms of this letter; and;
2. That it believes the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.
